GENERAL NOTICE NO. 2/2026:

EXTENSION OF DEADLINE FOR THE SUBMISSION OF APPLICATIONS FOR BROADCASTING LICENCES

1. Introduction:

The Eswatini Communications Commission (ESCCOM) hereby informs all interested stakeholders and prospective applicants that the deadline for the submission of applications for broadcasting licences has been extended.

The Commission previously issued an Invitation to Apply (ITA) for Broadcasting Licences, with the application window opening on **2 December 2025** and initially scheduled to close on **27 January 2026**.

Following consideration of representations received from prospective applicants, and in recognition that a substantial portion of the application period coincided with the December to January holiday season, the Commission has resolved to extend the application deadline. The extension is intended to promote fairness, inclusivity, and the submission of complete and high-quality applications.

2. Revised Closing Date:

The application period has been extended by **twenty-one (21) days**, and the new closing date for the submission of applications is:

Tuesday, 17 February 2026

3. Extension Additional Information:

- All other terms, conditions, and requirements of the original Invitation to Apply remain unchanged.
- Applications submitted after the revised closing date will **not** be considered.
- Prospective applicants are encouraged to ensure that their applications are complete and submitted within the extended timeframe.

This extension is issued in line with the Commission's mandate to ensure a transparent, fair, and competitive broadcasting licensing process.

For further enquiries or clarification, interested parties may contact the Eswatini Communications Commission through its official communication channels.
