

# GENERAL NOTICE NO.2/2025

## **NOTICE ON THE TRANSFER OF GENERAL LICENCE FOR ELECTRONIC COMMUNICATIONS SERVICES (ISP) FROM GLIMMERTECH INVESTMENTS (PTY) LTD TO THOR INTERNATIONAL (PTY) LTD.**

The Eswatini Communications Commission hereby notifies the public of the transfer of a General Electronic Communications Services (ISP) Licence previously held by Glimmertech Investments (PTY) LTD (“Glimmertech”) to THOR International (PTY) LTD (“Thor”).

On 13 October 2022, the Commission granted a General Electronic Communications Services (ISP) Licence to Glimmertech under Licence Number: GECS/003/22/GLIMMERTECH, for the provision of internet services for a period of five (5) years. Glimmertech submitted an application to the Commission seeking approval for the transfer of its licence to Thor in accordance with the terms and conditions governing the assignment, transfer, or disposal of licences. The application was supported by detailed representations from Glimmertech, which cited a shift in the company’s strategic direction and the need for sustainability as the primary reasons for the transfer.

It is noted that the Commission, through GENERAL NOTICE NO. 09/2024, had earlier decided to temporarily suspend the grant of general licences for the provision of electronic communications services (ISP). However, this application does not involve the issuance of a new licence but rather the transfer of an existing licence.

Pursuant to Regulation 16(1) of the Electronic Communications (Licensing) Regulations, 2016, the Commission has evaluated the application and approved the transfer of Glimmertech’s ISP Licence to Thor International (PTY) LTD. The public and all relevant stakeholders are hereby informed of this transfer.

**Chief Executive**
